

Data Sets Panel

It is important to have several (larger) datasets which can be used by several topic groups to illustrate issues, compare analysis strategies and many more tasks.

Data Sets Panel – It's more than the clinical data

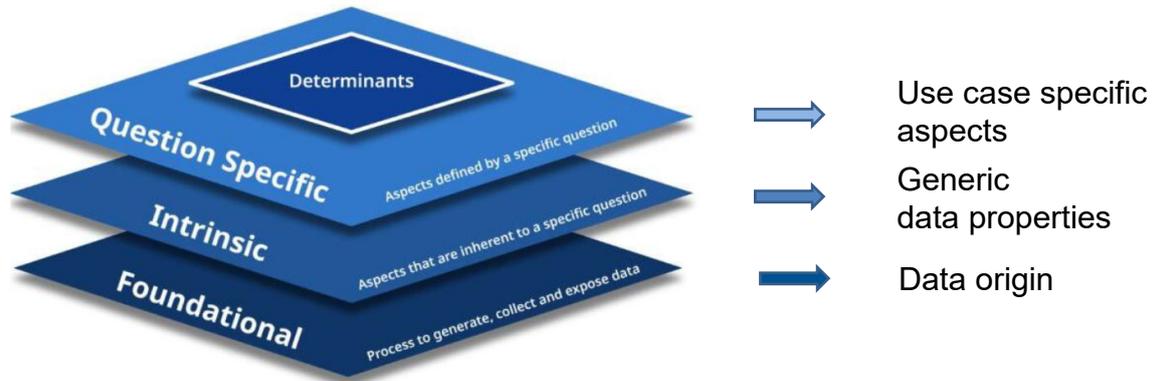

+ FAIR

Data Sets Panel

+ Data quality

Data Quality Framework for EU medicines regulation

30 October 2023
Data Analytics and Methods Task Force
EMA/326985/2023

Scope of the revised panel

1. Make STRATOS used data available
2. Identify appropriate Metadata repositories
3. Guidance on publishing data sets

30 October 2023
Data Analytics and Methods Task Force
EMA/326985/2023

**How to name
Data Sets and Data Quality Panel
FAIR Data (Sets) Panel
FAIR Quality Data (Sets) Panel
... ??**

New suggestion by Georg: **Data Excellence Panel**
